About Us

Guangdong Kooling Technology Co., Ltd. was founded in March 2010, a research and development, production, sales as one of the intelligent small household appliances manufacturer!We have a strong research and development team, advanced manufacturing facilities.Since its establishment has been adhering to the "create dreams for employees, create value for customers" business policy, committed to semiconductor electronic products, such as intelligent dehumidifier, humidifier semiconductor refrigeration field and other intelligent products development and production.

In the field of household small dehumidifier, Kuning Technology has been in the world's leading level, is the industry's largest and most professional household small dehumidifier manufacturer.With professional design, rigorous production and strict quality control, we have cooperated with many famous companies such as Walmart, The Home Depot, Argos, Cloer, Gello Kitty, Lotte and so on in the production of semiconductor small household appliances.

Company Philosophy

In the continuous development of science and technology today, Kuning technology always adhere to the concept of "let employees happy, let customers rest assured", we have been people-oriented, create dreams for employees as their own responsibility, committed to creating a professional dehumidifier manufacturer in the world.

Main Business

In order to ensure the quality of products, we design, mold manufacturing, injection production, production and assembly, PCBA design and processing production are all completed by ourselves.The company has obtained ISO9001 system certification, but also has the European BSCI certification.Customer demand is our responsibility, we look forward to full cooperation with customers, together to create a better future.Welcome to our company to discuss OEM or ODM cooperation.

Technical Field

In addition to the field of small dehumidifier, Kuning Technology has now invested in the field of compressor dehumidifier, to provide customers from 100 ml to 35 liters of dehumidifier, the most complete design and manufacture of dehumidifier one of the professional manufacturers.

Dehumidifier and Air Purifier Combo

MD 823B

- Built-in professional filter, automatically start cleaning after starting
- With automatic frost function
- With touch buttons and humidity control panel;
- Can control the fan speed and timing;
- The top of the water tank is equipped with RGB seven-color lights;
- With the function of automatic stop when the water is full or not loaded into the tank;
- Can be used in bedroom, savings room, kitchen, office, living room or baby room;

Product parameters:

- Product size: 212*150*381mm
- Tank capacity: 3200ml
- Color box size: 250X184X420mm
- Outer box size: 510X384X420mm(4 packs)
- Capacity : 800ml/day
- CADR: 105m³/h
- Rated power: about 64W;
- Packing quantity: 4 PCS/box,

Air Cooler

CD101

★mute ★fast cooling ★portable and convenient

- With temperature display, timing, wind speed control, humidification, shaking head and other functions
- With fast cooling function.It is easy to carry and occupies small space.
- Spray volume: High speed (70ML)
  Low speed (46ML)
- Suitable for bedrooms, yachts, cars, study rooms, living rooms and other places.

Product parameters:

- Product size:160X130X260mm
- Product net weight: 0.95kg
- Color box size:186x156x299MM
- Outer box size:576x484x322mm(9 packs)
- Tank capacity:900ml
- Rated power: DC5V 2A 10W;
- Packing quantity: 9PCS/box,

MD 6333

- Can be used as a vacuum wine stopper, which automatically works and does not require any external force to remove the air from the bottle to help you store the wine, keep it fresh and keep it longer;
- LED display displays wine temperature and time;
- Applied to entertainment venues, such as hotels, bars, cafes, etc
- Insert 2 AAA batteries according to polarity indicator;

Product parameters:

- Product size: φ49*98mm

MD 619

- 32 liter large capacity for 48 355ml drinks;
- Consists of 8mm foamed polyethylene EPE) insulating material and 5mm FOAM
- Small, lightweight and easy to carry make it the perfect companion for camping, car or short trips;
- Equipped with detachable cooling system, easy to install and disassemble the components inside;Very convenient to carry as a suitcase, with tie bar and wheels;

Product parameters:

- It can refrigerate 12℃±3℃ at the ambient temperature of 25℃, and the power supply is 60W;
- Product net weight: 0.24kg
- Gross product weight: 0.55kg (one load weight)
- Product size: 330*270*430mm
- Outer box size: 411*280*400mm (12pcs)
- Color box size: 132*132*185mm (one color box)
- Loading quantity: 12 PCS/box, 7559/20GP 16944/40GP 18248/40HQ

MD 615

- Small, lightweight and easy to carry make it the perfect companion for camping, car or short trips;
- With radio function

Product parameters:

- Capacity: 6L
- Refrigeration system: semiconductor
- With radio function
- Main material: nylon soft bag
- Voltage: 12V DC
- Watch strap: PE
- Power supply: 36-68W
- Noise: <30db
- Cooling: 15° C to 25° C lower than the ambient temperature
- Product size: 31*205*220mm

MD 611

12L

- Small, lightweight and easy to carry make it the perfect companion for camping, car or short trips;

Product parameters:

- Capacity: 12L
- Voltage :12V/24V DC (home power supply available)
- Power supply: 50W
- Refrigeration: 8℃ -2 ℃ at 25 ℃ environment
- Refrigeration system: semiconductor
- Main material: nylon soft bag
- Watch strap: PE
- Noise: <30db
- Product size: 395*240*282mm

Beauty instrument

Improve muscle age anemonaceae

—

Technical soothing massage firming lift Witness young and firm skin

MD 611

-3 kinds of temperature effect + vibration mode, easily revitalize the skin;

- Green light: at room temperature with vibration soothing massage, relieve eye fatigue, improve wrinkle relaxation, fade dark circles, do the beauty of details;

- Blue light: Cold compress can promote the blood circulation of the skin, calm the skin, refine pores, lift and tighten, improve skin tone;

- Red light: Warm compress with vibration massage relaxes pores, promotes absorption, nourishes skin,makes facial muscles rosy and bright, and creates water-light muscle;

Product parameters:

- Product size: 190*61*51mm
- Rated power: 6W;

Ice sealing heat sink clip

MC 221

- Quick cooling function, no longer stuck when playing games, cooling 15℃ per minute;
- Type-C connects to most mobile phone chargers.
- Can be applied to mobile phones to dissipate heat;

Product parameters:

- Product size: 74*54*36.5mm
- Color box size: 227*172*330mm
- Product net weight: about 100g
- Rated power: 5V

Can cooler

CD 107

★mute ★High speed cooling ★Small and portable

- With constant temperature of timing, temperature sensing, cooling, can reduce the temperature, This temperature can be reduced to 0 degrees, with other functions such as fast cooling, top light change;
- With touch button, top temperature indicator light, bottom 7 colour lights;
- Keeps drinks warm - Can be applied in offices, bars, families,yachts, cars and other places to keep drinks warm;

Product parameters:

- Product size: 117*151*118mm
- Product net weight: 0.805kg
- Rated power: 21W;
